

# Flat Brush 1500

Flügger Basic is a standard brush for the price-conscious craftsman. The brushes are suitable for painting jobs where the fundamental properties and economy are the priority.

## Product properties

Flatbrush with non drop fibres, an ergonomic plastic handle ensures a good grip. Flexible brush fibres that minimise splashing and distribute the material efficiently. Suitable for treatment of unbroken surfaces.

- Flexible brush fibres
- 1-component plastic handle
- Flat brush

## Product use

Painting and varnishing of doors, furniture and fixtures. Rinse the brush in water before use and work thoroughly into the paint. Store the brush in airtight packaging when not in use and avoid storing the brush in water.

## Application

All-round brush for all kinds of paint and wood stain.

## Cleaning and Maintenance

Clean brushes using Fluren 59. Brush cleaner, Fluren 37 Basic cleaner or liquid soap. For non-aqueous paints, mineral turpentine can be used instead.

## Useful Information

Disposal: Remove as much paint as possible from brushes before they are disposed of as small, combustible waste items.

## Good practice

Remove as much paint as possible from tools before cleaning. Do not pour liquid paint residue or cleaning fluid down drains. Clean the paint residue from the brushes right up under the ferrule. Paint residue under the ferrule and between fibres will coagulate and result in brittle bristles. Avoid straining the bristles during drying and store the brush dry.

## Technical Data

Product Type	Brushes
Brush	Mix natural/synthetic
Shaft	Plastic
